Established in 2016 following the firm’s combination with Leach Travell PC, the Tysons office is a result of the firm’s strategic vision to broaden our footprint in the Washington, D.C. metro market. Our close proximity to the nation’s capital gives Hirschler clients the opportunity to be represented by leading practitioners in Northern Virginia, the District of Columbia and Maryland.

Our Tysons attorneys represent clients in both the public and private sector, and have a wealth of experience and capabilities in business, litigation, bankruptcy/creditors’ rights and real estate. Consistent with the Hirschler Core Values, the Tysons office stays connected and committed to the community through involvement in numerous bar, industry and community groups.
